GHOSTWRITING PACKAGES FOR BUSY BUSINESS OWNERS & SELF-PUBLISHERS

CREATE A DETAILED OUTLINE

£950

Have you been working on your bookywook for so long, the ideas and threads are all tangled? Perhaps you've made a start and gotten half-way through, but feel so overwhelmed by it all, you've come to a grinding halt? Are you even certain you're starting out with the right premise for your book anyway?

I completely understand! I can help. I'll bring a fresh new perspective to the job, I'll untangled you and I'll get those thoughts flowing so you can move forward again.

Here's what we'll do together:

- We'll have an Initial interview to discuss your book concept and/or existing notes.
- I'll shape what you have into a detailed outline. An outline is THE most important part of the project. It's the skeleton, muscles and even a few sinews to the project, providing it with form and structure so you can write a brilliant book.
- We'll need to work closely together to create the outline, so expect this to take at least 4 weeks.
- If you'd like to continue working with me, you can select the package "Ghostwrite from Existing Outline".
- Alternatively, if you'd prefer to continue writing the book yourself, at least you now have a brilliant outline as a guide to better focus your creative juices.

This fee is to create a detailed outline only and takes at least 4 weeks.
